

PERSONALYSIS

CERTIFICATION PROGRAM

PROGRAMS FEBRUARY JULY
START: MAY OCTOBER

PROGRAM OVERVIEW

Our blended learning program teaches the foundations of the Personalysis framework. You will review video content and participate in facilitated practice labs to deepen your understanding.

Program includes:

- Access to the online video library
- Live practice
- Reflection Activities & Peer Practice

LEARNING OBJECTIVES

Define and describe the core characteristics of the three dimensions and four-colors of the Personalysis framework.

Prepare to debrief individual profiles

- Define and describe color patterns
- Identify similarities and differences, strengths and challenges
